Proceedings of the Government of His Highness the Maharaja of Mysore.

Read—

(1) Subjects Nos. 268 and 269 of the Representative Assembly Proceedings of 1903, stating that English copies of the *Mysore Gazette* may be supplied to Patels and Shanbhogs at half rates and that the subscription for the *Mysore Gazette* may be reduced.

(2) Docket No. 58, dated the 31st August 1904, from the Compiler, *Mysore Gazette*.

With reference to his docket No. G. 376, dated 21st July 1904, has the honor to inform him that the cost of printing 100 extra copies of the English Gazette is estimated at about Rs. 300 per annum. The supply of the English Gazette to Patels and Shanbhogs at half rates would enhance work of the Press and would necessarily require additional establishment and it cannot therefore be recommended.

As regards the reduction of subscription to the Gazette, it is already sold at less than the cost price, and it does not therefore seem desirable to make it cheaper still, unless Government deem fit to do so for other than financial considerations.

(3) Subject No. 270 of the Representative Assembly Proceedings of 1903 stating that all important Government orders, notifications, etc., may be published in the Kannada copies of the Gazette.

No. G. 1550—12-2, DATED BANGALORE, 19TH SEPTEMBER 1904.

ORDER THEREON.—Government think that there is no necessity for making any change in the present arrangements.
